BRIGHTRIDGE GREENHOUSES

BREAK O' DAY. HT. (The Brownells, 1937.) Propagation rights reserved. A robust plant with large, double flowers of orange-apricot, shaded with flesh tints; fragrant. Good foliage, 50 petals. It is remarkable for its strong growth, its fragrance, and for its huge clusters of flowers. A bedding Rose of exceptional merit. \$1.50 each.

LILY PONS. HT. (The Brownells, 1938.) Propagation rights reserved. Long-pointed buds open to large, very double flowers; center deep yellow shading to palest yellow and white. This Rose is remarkable for its vigor, handsome foliage, and profusion of flowers. This is a bedding Rose well worth acquiring and, improves with age. \$1.50 each.

PINK PRINCESS. HT. (The Brownells, 1939.) Propagation rights reserved. Full-petaled, fragrant pink Rose of unusual freedom of bloom. Very free from black spot. \$1.50 each.

RED ROBIN. HT. (The Brownells, 1941.) Propagation rights reserved. A very sturdy bush that literally glitters with flowers; red tending toward vermillion. \$1.50 each.

NEW YELLOW (Unnamed.) (The Brownells, 1941.) Propagation rights reserved. Beautiful large double rose, very formal and fragrant. \$1.50 each.

M. B. (Unnamed.) (The Brownells, 1941.) Propagation rights reserved. Delightful blooms of a mixture of red, orange, and pink and it has a sweet spicy fragrance. \$1.50 each.

KING BOREAS. (The Brownells, 1941.) Propagation rights reserved. Very double lemon yellow flowers, a constant bloomer. \$1.50 each.

Varieties, \$15.00 per dozen

CLIMBING

COPPER GLOW. LC.

(The Brownells, 1939.) Propagation rights reserved. Large fragrant flowers of brilliant copper. A climbing rose of exceptional merit. Blooms over a long period, and is very vigorous. \$1.50 each.

Copper Glow

MOON GLOW. LC. (The Brownells, 1936.) Propagation rights reserved. Flowers long pointed bud, nearly white to straw yellow, mass bloom very hardy. \$1.00 each.

APRICOT GLOW. LC. (The Brownells, 1936.) Plant Patent No. 200. A truly magnificent Climber with medium-sized flowers of a light apricot color, shading yellow at the base, and produced in large clusters. Flowers are double, and nicely formed. \$1.00 each.

ELEGANCE. LC. (The Brownells, 1937), Propagation rights reserved. The flowers are spectrum-yellow shading to pale yellow, deepening in color as they open. Carried on long stiff stems of Hybrid Tea form. Opens slowly, making this a long flowering Climber. The plant is very vigorous, with excellent foliage. \$1.00 each.

GOLDEN CLIMBER (Mrs. Arthur Curtiss James.) LC. (The Brownells, 1933.) Plant Patent No. 28. Large, handsome, yellow blooms borne on a vigorous, glossy-leaved Climber. It flowers best on old canes. Very vigorous and mass bloomer. \$1.00 each.

GOLDEN GLOW. LC. (The Brownells, 1936.) Plant Patent No. 263. The pure spectrum-yellow Hybrid-Tea-like flowers are 3½ to 5 inches in diameter and have Tea fragrance. Perfectly hardy and vigorous up to 15 feet or more, with attractive healthy foliage. Quantity of bloom outstanding. \$1.00 each.

GOLDEN ORANGE CLIMBER. LC. (The Brownells, 1937.) Plant Patent No. 96. Large, semi-double flowers in delicate shades of yellow and orange, informally waved and crinkled. Having long stems it is also exquisite as a cut-flower. Plant is vigorous and hardy. One for the connoisseur. \$1.00 each.

GOLDEN PYRAMID. LC. (The Brownells, 1939.) Propagation rights reserved. Large double Cadmium yellow flowers. Fade resistant and will obtain height of fifteen to twenty feet. Glossy green foliage and free blooming. \$1.50 each.

PEGGY ANN LANDON. LC. (The Brownells, 1937.) Propagation rights reserved. Buds of sunflower-yellow-orange, fade resistant. Flowers of good size are borne singly and in clusters on long stems. Plant vigorous, with strong leathery foliage and abundant bloom. Very early bloomer. \$1.00 each.

HARVEST GLOW. LC. (The Brownells, 1941.) Propagation rights reserved. A new multi-colored rose, scarlet and gold to yellow on a large climber with leathery foliage. Excellent for picking. No plants til fall 1941. \$1.50 each.

WHITE GOLD. LC. (The Brownells, 1941.) Propagation rights reserved. A large very double-pointed bud, white with a slight shading of cream at the base. Leathery green foliage and a vigorous grower. No plants til fall 1941. \$1.50 each.

BROWNELL RAMBLER. LC. (The Brownell, 1941.) Propagation rights reserved. Early bloomer with large clear yellow, very double flowers, singly and in clusters. Dark green foliage and a vigorous grower. No plants til fall 1941. \$1.50 each.

DR. BURT. LC. (The Brownells, 1941.) Propagation rights reserved. Large clusters of reddish orange flowers, very double with a sweet fragrance. No plants til fall, 1941. \$1.50 each.
